U.S.A. vs. Adrian James Lashua

Docket No. 7:03-CR-21-1

Petition for Action on Supervised Release

COMES NOW Pamela O. Thornton, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Adrian James Lashua, who, upon an earlier plea of guilty to Possession of a Firearm by a Convicted Felon, in violation of 18 U.S.C. § 922(g)(1), was sentenced by the Honorable James C. Fox, Senior U.S. District Judge, on July 21, 2003, to the custody of the Bureau of Prisons for a term of 96 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 36 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall participate in a program of mental health treatment, as directed by the probation office.
3. The defendant shall consent to a warrantless search by a United States Probation Officer or, at the request of the probation officer, any other law enforcement officer, of the defendant's person and premises, including any vehicle, to determine compliance with the conditions of this judgment.

Adrian James Lashua was released from custody on November 4, 2009, at which time the term of supervised release commenced.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE
AS FOLLOWS:**

On June 29, 2010, the releasee submitted a urine specimen which revealed positive results for marijuana. He admitted to the probation officer he was in an intimate situation with a woman when she started smoking marijuana. While smoking the marijuana, she blew it in his face. The releasee stated he allowed her to smoke the marijuana, because he did not want to upset her and cause her to leave. The releasee accepted responsibility for his actions and gave a written statement regarding the incident. As a sanction for his behavior, the releasee agreed to serve 2 days in jail and to modify his conditions to include DROPS and the cognitive behavior program as conditions of supervision.

The offender signed a Waiver of Hearing agreeing to the proposed modification of supervision.
